**08.10.2018** Staff of the Drugs Control Directorate (UNK) of the Ministry of Internal Affairs of Russia in the Kaluga region detained two residents of a neighboring region suspected of involvement in illicit drug trafficking. After inspection of the vehicle belonging to one of the suspects, 322 convolutions with **heroin weighing more than 600 g** were found and seized. The consignment of prohibited substances was to be further sold in Kaluga territory.

<https://xn--b1aew.xn--p1ai/news/item/14624883>

**09.10.2018** Staff of the UNK GU of the Ministry of Internal Affairs of Russia in the Krasnoyarsk Territory stopped the activity of an online drug store. During search operations, the police established its organizers, a 43-year-old resident of Krasnoyarsk and his 35-year-old female flat mate. Dealers collected large wholesale consignments from a cache, and then made drugs of it, which were sold via other caches in the region. During a search in the apartment of the offenders, police discovered and seized **870 g of various synthetic drugs and 53 g of cocaine.**

<https://xn--b1aew.xn--p1ai/news/item/14637408>

**09.10.2018** Police officers in Perm near a post office detained a 22-year-old local resident on suspicion of drug smuggling. The man was detained at the moment he received mail from Europe sent in to his name. After the envelope had been opened, police found LSD drugs in the form of 6 postal stamps.

<https://xn--b1aew.xn--p1ai/news/item/14636946>

**09.10.2018** In the course of search operations by officers of the Department of the Ministry of Internal Affairs of Russia in the Amur Region and the Main Directorate for Drugs Control of the Ministry of Internal Affairs of Russia in cooperation with the Unit of the Regional Department of the Russian Guard in abandoned site of the Chernetcheno village of the Belogorsk district discovered a specially equipped, autonomous, camouflaged place used for the production of narcotic drugs of cannabis group. Police found and seized more than **140 kg of marijuana**, as well as items and tools used for the production and processing of drugs - a metal press, a device for driving cannabis oil, a container with chemical liquid, and others. In carrying out further search operations and investigative measures in a forest area near the Chernetcheno village, police discovered a cache with six containers with 1.3 kg of

hashish oil. 46-year-old resident of the Blagoveshchensky district of the Amur region was detained.

<https://xn--b1aew.xn--p1ai/news/item/14638914>

**10.10.2018** Officers of the Directorate for Drugs Control of the Ministry of Internal Affairs of Russia in the Far East Federal District at a railway station of the city of Khabarovsk detained a drug trafficker who arrived from Moscow, and in her suitcase they found plastic bags with a narcotic substance - **N-methylephedron, with a total weight of over 10 kg**. The suspect received this consignment of narcotic drugs and a large sum of money from a friend who specializes in the illegal sale of narcotic drugs through an online store, subsequently placing them into caches in the cities of Khabarovsk, Komsomolsk-on-Amur and Vladivostok. Five more suspects in illegal sale of drugs aged between 25 to 29 were detained. During searches at the place of residence, in three of them police found packaging bags with the logo of the online store, scales, and over **9 kg of synthetic drugs**. In the Kursk region, police detained the main interregional courier of this online store. <https://xn--b1aew.xn--p1ai/news/item/14647496>

**10.10.2018** Staff of the Division for Drugs Control (ONK) of the Department of the Ministry of Internal Affairs of Russia in the Leninsky district of the Moscow region as a result of search operations in the Pugovicino village detected and detained a 22-year-old resident of the Kaluga region suspected in the illegal possession of drugs, and found and seized a parcel with **hashish, weighing more than 600 g** during a personal search. <https://xn--b1aew.xn--p1ai/news/item/14650919>

## THE REPUBLIC OF TAJIKISTAN

**04.10.2018** Staff of the Drug Control Agency (DCA) of Tajikistan in the city of Dushanbe in the course of search operations detained two citizens of Tajikistan who were delivering drugs to Dushanbe from areas bordering with Afghanistan. During their detention, a package of **1 kg of heroin** was seized.

<https://ru.sputnik-tj.com/country/20181004/1026996511/tajikistan-dushanbe-kilogramm-geroina.html>

**08.10.2018** Staff of the DCA in the Khatlon region detained a member of a criminal gang trafficking drugs. During a personal search, bags of **heroin with a total weight of 2 kg** were found and seized from a 36-year-old resident of Kulyab. The man had previously been convicted twice for crimes related to drug trafficking on a large and very large scale.

<https://ru.sputnik-tj.com/country/20181008/1027039768/tajikistan-zaderzhanie-muzhchina-narkotiki.html>

**11.10.2018** In the Shugnan district of the Gorno-Badakhshan Autonomous Region (GBO) of Tajikistan, a fighting clash between law enforcement officers and smugglers emerged. According to the State Committee of National Security of Tajikistan, as a result of the clash on October 2, four Kalashnikovs, **10 kg of heroin, 13 kg of hashish and 2 kg of opium** were seized from smugglers, who they tried to ship it to Tajikistan from Afghanistan. Crime organizers are in the list of wanted persons.

## THE REPUBLIC OF UZBEKISTAN

**06.10.2018** In the Urtachirchik district of the Tashkent region, as a result of search operations carried out by officers of the internal affairs agencies, **2.9 kg of marijuana** were found and seized in the house of a resident of the Yangikhat makhalla. <http://www.mvd.uz/ru/lists/view/4475>

**09.10.2018** In the Yukorichirchik district of the Tashkent region, as a result of measures officers of the internal affairs agencies found and seized **1 kg 583 g of marijuana** in a summer house (dacha) located in Nurli makhalla zamon and from a resident of the Navruz makhalla. <http://www.mvd.uz/ru/lists/view/4455>

## OTHER COUNTRIES

### AUSTRALIA

**08.10.2018** As a result of joint operation of the Australian Federal Police (AFP) and the Australian Border Force (ABF) in Sydney, three people were arrested for trafficking **496 kg of MDMA**. The drug was contained in 248 packages and was hidden in four industrial meat grinders in a shipping container from Turkey that arrived at the Botany Port, located 8 km from Sydney. <https://newsroom.abf.gov.au/releases/almost-half-a-tonne-of-mdma-seized-in-sydney>

**09.10.2018** In the Sydney International Airport, the Australian Border Force (ABF) officers detained a 47-year-old Cyprus citizen in an attempt to smuggle drugs. When a foreign citizen was detained **4 kg of methamphetamine** were found in the double bottom of his suitcase. The man was selected to baggage check after arriving in Sydney from Doha, Qatar. ABF officers handed the case over to the Australian Federal Police (AFP). <https://www.afp.gov.au/news-media/media-releases/man-arrested-sydney-airport-after-attempting-import-four-kilograms-%E2%80%9Cice%E2%80%9D>

### ARMENIA

**05.10.2018** The Operational Search Division of the Anti-Smuggling Department of the State Revenue Committee obtained operational information that during a search of a female Guatemalan citizen who arrived in Yerevan on a flight from Dubai, four metal containers with **3.5 kg of cocaine** were found. A criminal case has been initiated in the investigation department of the SRC on this fact. It was established that the Guatemalan citizen transported drugs to Armenia from the Brazilian city of São Paulo. She was supposed to give the smuggled shipment to an unknown person. As a result of search operations, a female citizen of Kazakhstan was detained, who arrived by air from Turkey to Armenia on the same day to receive drugs and transport them to Turkey. <http://newsarmenia.am/news/incidents/inostrantsy-tranzitom-cherez-erevan-pytalis-provezti-kokain-v-turtsiyu-iz-san-paulu/>

### BRAZIL

**10.10.2018** Customs officers at the Federal Revenue Office in the port of Santos, Sao Paulo found **463 kg of cocaine** in a container that was to be exported to Europe. The drug was detected by analyzing the risk profile of the cargo. It was a batch of polyamide packed

in octabin (packaging, usually corrugated cardboard, in an octagon form) of 1000 kg each. Drugs were hidden in one of the four containers that formed the batch. 14 sports bags were found containing packs with 463 kg of cocaine. The final destination of the cargo was the port of Le Havre in France.

## CANADA

**09.10.2018** In the port of Montreal, more than **106 kg of cocaine** were found in one of the containers transported by ship arriving from the Dominican Republic. Cocaine was hidden in four nylon bags and placed in a container with boxes of men's shirts. The drug ship was handed over to the Royal Mounted Canadian Police, which is conducting further investigations. <https://www.lapresse.ca/actualites/justice-et-affaires-criminelles/affaires-criminelles/201810/09/01-5199607-saisie-de-107-kg-de-cocaine-dans-le-port-de-montreal.php>

## THE NETHERLANDS

**10.10.2018 800 kg of cocaine** were seized in containers loaded with bananas in the port of Vissingen. The drugs were confiscated and destroyed. The first shipment of 400 kg was

found by customs in a container with bananas. During an inspection of a number of pallets by customs in the company in Vlissingen, a second similar consignment of cocaine weighing 400 kg was found. Bananas came from South America by the same ship the first batch arrived. <https://www.politie.nl/nieuws/2018/oktober/10/08-cocaine-vlissingen.html>

## USA

**12.10.2018** The Customs and Border Protection officers at the port of Nogales, Tucson, Arizona, detained a 29-year-old Mexican citizen in an attempt to smuggle meth in the United States. Officers seized more than **15 kg of methamphetamine** under the inner lining of the roof of a Volkswagen car. Drugs and car were seized by officers. A man was arrested and then transferred to US Immigration and Customs Enforcement’s Homeland Security Investigations. <https://www.cbp.gov/newsroom/local-media-release/nogales-cbp-officers-seize-100k-methamphetamine>

**12.10.2018** The US Customs and Border Protection officers arrested two people in an attempt to smuggle methamphetamine in the port of San Luis, Tucson, Arizona. Officers found methamphetamine bags in Toyota’s spare tire when it tried to enter the United States from Mexico. As a result of the inspection activities, officers found packages containing **4.54 kg of methamphetamine** inside the car's spare tire. In addition, during a personal inspection of a 30-year-old resident of San Luis, officers discovered a pack of methamphetamine taped around his leg. <https://www.cbp.gov/newsroom/local-media-release/meth-smugglers-nabbed-port-san-luis>

## PAKISTAN

**09.10.2018** Pakistan’s Anti-Narcotics Forces conducted 19 anti-drug operations across the country in September and seized **24.3 kg of hashish, 5.8 kg of heroin, 5.875 kg of amphetamine, 1.18 kg of methamphetamine and 240 liters of hydrochloric acid precursor**. [http://anf.gov.pk/press\\_release/pr09Oct2018.pdf](http://anf.gov.pk/press_release/pr09Oct2018.pdf)

## ECUADOR
