**CARICC WEEKLY SUMMARY
 ON SEIZURES OF NARCOTIC DRUGS,
 PSYCHOTROPIC SUBSTANCES AND THEIR PRECURSORS**
 (based on mass media reports)

11.11.2025-20.11.2025

№32

In the period from 11 to 20 November 2025, based on information from mass media law enforcement agencies and security structures of CARICC member states seized **1 ton 67.72 kg of narcotic drugs and psychotropic substances, including: heroin – 458.95 kg, opium – 1.6 kg, cannabis-group drugs – 316.88 kg, synthetic drugs – 80.08 kg, and potent substances – 210.21 kg.**

Drug seizures in CARICC Member States

Type of drug (in kg)	Azerbaijan	Kazakhstan	Kyrgyzstan	Russia	Tajikistan	Uzbekistan
Heroin	456.8	0	0	2.15	0	0
Opium	0.6	0	0	0	0	1
Cocaine	0	0	0	0	0	0
Cannabis group drugs	201.38	43.27	1.83	2.6	0	67.8
Synthetic drugs	9.46	15.51	0.12	32.26	0	22.73
Potent substances	0	0	0	154	0	56.21
Total	668.24	58.78	1.95	191.01	0	147.74

During the same period other countries seized **40 tons 610 kg of narcotic drugs and psychotropic substances, including: cocaine – 36 tons 736 kg, cannabis-based drugs – 1.5 tons, synthetic drugs – 2 tons 146 kg, and potent substances – 228 kg.**

CARICC MEMBER STATES

AZERBAIJAN

14.11.2025 Officers of the Directorate General for Combating Drugs of the Ministry of Internal Affairs of Azerbaijan conducted regular operations in the Surakhani, Sabunchu, and Khazar districts of Baku, as well as in the Absheron district. As a result, Araz Firidunbeyli, Arzu Huseynov, Nahid Mansimov, Vusal Aliyev, Shamistan Rafili, and Adil Aghazade, all of whom had previous convictions, were detained. The arrested individuals were found in possession of **21 kg of marijuana**, which contained harmful impurities, and **600 methadone tablets**. Investigation found that the arrested individuals were connected to Iranian citizens, whose identities are currently under investigation.

15.11.2025 Police officers detained 35-year-old Vugar Mukhamedov, who had previously been convicted several times, in the Surakhani district of Baku as part of an operation to combat drug trafficking. **10 kg of marijuana** were seized from him. According to Mukhamedov, he obtained drugs from an Iranian citizen, whose identity is being checked. <https://minval.az/news/124499773>

15.11.2025 As a result of comprehensive operational search and control measures carried out by officers of the Astara Customs Administration, a particularly large amount of heroin intended for transport to Europe was discovered and seized. A wagon carrying a shipment of tile adhesive from the Islamic Republic of Iran to the Republic of Estonia in transit through the territory of the Republic of Azerbaijan was stopped at the Astara railway customs post and its cargo was inspected using stationary X-ray equipment. During inspection, which was carried out after a check by a service dog, they detected a particularly large amount of **heroin** in 44 of the 3,250 bags with a total weight of **456.8 kg** including packaging. <https://oxu.az/ru/proisshestviya/v-azerbajdzhane-presechena-kontrabanda-narkotikov-na-90-mln-dollarov>

17.11.2025 An attempt to smuggle 17 kg 235 g of narcotics (**14.08 kg of marijuana, 3.12 kg of methamphetamine, 30 g of opium**) and **500 tablets of M-40 methadone** containing narcotic substances from the Islamic Republic of Iran to the Republic of Azerbaijan using an unmanned aerial vehicle was foiled in the area of responsibility of the Goradiz border guard unit of the Border Troops Command of the State Border Service. Mr. Azer Orujov was detained by law enforcement officers in the city of Ganja as a suspect in the case as a result of operational search measures. <https://oxu.az/ru/proisshestviya/presechena-perevozka-na-territoriyu-strany-krupnoj-partii-narkotikov-posredstvom-bpla>

20.11.2025 An attempt to smuggle a large shipment of drugs from the Islamic Republic of Iran using an unmanned aerial vehicle was stopped in the service area of the Goytepe border guard detachment of the Border Troops of the State Border Service of Azerbaijan. The operation led to the discovery and seizure of 33.345 kg of drugs (**29.58 kg of marijuana, 3.12 kg of methamphetamine, 565 g of opium, and 80 g of methadone liquid**), as well as **6,758 M-40 methadone tablets**. <https://oxu.az/ru/proisshestviya/azerbajdzhanskije-pogranichni-presekli-kontrabandu-narkotikov-iz-irana-s-pomoshyu-drona-11201454>

KAZAKHSTAN

12.11.2025 A foreign citizen was detained during operational activities in the capital and brought to justice by police for violating migration laws. During a personal search, they found a paper box containing a plant-based substance with a specific odor, which was hashish. As a result of further operational activities, police identified a person involved in the sale of the seized drugs. He was found to be a 57-year-old resident of capital who worked as a cargo handler. During a search of his place of residence, they found about **6 kg of hashish** packaged for sale — 10 bags and 110 paper packets — and scales and equipment for weighing and packaging. <https://polisia.kz/ru/v-stolitse-zaderzhan-muzhchina-s-krupnoj-partiej-narkotikov/>

13.11.2025 Police conducted a successful operation to crack down on a synthetic drug distribution channel. Officers from the Department for Combating Drug Crime in Shymkent detained a resident of Almaty. During a search, they found four plastic bags wrapped in tape containing powder. Subsequent analysis showed that it was **synthetic psychotropic drugs**, with the seized substance weighing almost **2 kilograms**. <https://otyrar.kz/2025/11/almatinecz-zaderzhan-s-narkotikami-v-shymkente>

13.11.2025 Officers from the Karaganda City Police Department for Combating Drug Crime carried out a successful operation on the streets of the city to crack down on distribution of synthetic drugs. A 26-year-old village resident was detained during the operation on a street in the city. A personal search showed he had a carefully wrapped package tied with blue electrical tape marked "400 g". Inside the package was a brown, lumpy substance with a strong, distinctive odor. Tests confirmed that the seized substance was the synthetic drug **A-PVP**. Total weight of the seized drugs was **400 g**. <https://vecher.kz/ru/article/selchanin-s-krupnoi-partiei-narkotikov-zaderjan-v-karagande.html>

13.11.2025 Drug control officers in the Tselinograd district of the Akmola region discovered and seized a large shipment of illicit substances—approximately 12.5 kg of mephedrone packed in 14 plastic bags. Operatives from the Department for Combating Drug Crime detained a local resident who, according to their information, was involved in drug distribution. During investigation the suspect indicated location where he had previously concealed drugs. Expert analysis confirmed that the seized substance was **mephedrone** with a total weight of **12.5 kg**. <https://kazlenta.kz/106568-bolee-12-kg-mefedrona-izyali-v-akmolinskoy-oblasti-zaderzhan-muzhchina.html>

14.11.2025 Officers of the Department for Combating Drug Crime in Rudny detained a 45-year-old local resident and seized nearly **6 kg of marijuana**. In the courtyard of his house and in the garage operatives found a bag and a pot containing a herbal substance. An examination confirmed that the seized substance was marijuana. A medical examination showed that the man himself used cannabinoids. <https://www.arnapress.kz/proisshestviya/240192-pochti-6-kg-marihuany-izyali-u-zhitelya-kostanayskoy-oblasti?news=1>

14.11.2025 Pavlodar police officers detained a man suspected of selling cannabis-group drugs during operational search activities. The man organized delivery of narcotic substances from the southern regions of the country for further distribution in the region. During a search of a car stopped near the village of Atameken, they found ten bricks of an unknown plant-based substance and packaging scales. During a search of his home, they found a plastic container in the kitchen with a plant-based substance meant for packaging and distribution in small batches. Total weight of seized **marijuana** amounted to **1.27 kg**. <https://polisia.kz/ru/podozrevaemyj-v-sbyte-narkotikov-kannabisnoj-gruppy-zaderzhan-v-pavlodarskoj-oblasti/>

15.11.2025 Police officers in Pavlodar detained a man suspected of illegally cultivating narcotic plants. Police received information about his involvement in illegal drug trafficking. During an inspection of a plot of land intended for growing vegetables owned by the suspect, they discovered 150 cannabis plants, and dried parts of the plant. The man stated that he had grown cannabis for personal use. Plants and dried fragments were sent for examination,

which confirmed that they were **cannabis** with a total weight of over **30 kg**.
<https://polisia.kz/ru/150-kustov-konopli-iz-yala-politsiya-u-zhitelya-pavlodara/>

18.11.2025 Police in North Kazakhstan region stopped a Kia Cerato driven by a 35-year-old Astana resident suspected of transporting a particularly large shipment of drugs to Petropavlovsk. During a search of the trunk, police found and seized four packages containing a powdery substance. According to results of examination, it was confirmed that these were synthetic drugs **α-PvP** and “**mephedrone**” with a total weight of over **608 g**.

KYRGYZSTAN

13.11.2025 A foreign citizen was detained in the Issyk-Ata district on suspicion of manufacturing and selling drugs. According to police, operatives detained a 23-year-old man in the village of Novopokrovka on 11 November. During a search they found a bag containing 24 brown rubber capsules with a total weight of **116 grams**. An examination showed that the substance contained nicotine and **MDMB(N)**, which is classified as a psychotropic substance.

19.11.2025 Police officers in Osh detained a 59-year-old man suspected of selling narcotics. According to the agency, police had received intelligence that hashish was being distributed in the city. Operatives were deployed to verify the information. Suspect was detained on 10 November near a cafe on Shakirov street. He was a resident of the southern capital born in 1965. During a personal search, they found 3.44 grams of hashish on him. During investigation, the detainee showed locations of stashes in an apple orchard in the village of Shark in the Kara-Suu district. The caches were seized and found to contain packages wrapped in cellophane. An examination determined that total weight of the seized drugs was **829 grams of hashish**.

https://24.kg/proisshestvija/351428_voshe_zaderjan_mujchina_torgovavshiy_narkotikami_i_zyyat_pochti_kilogramm_gashisha

20.11.2025 Security service officers detained a suspect in an attempted drug sale in the Chui region. According to information, the detained citizen, G.A.T., has been identified as one of the organizers of a drug delivery channel along the Tajikistan-Osh-Chui route. Security services detained him on 17 November when he tried to sell more than **1 kilogram** of Afghan charas (**hashish**).

RUSSIA

11.11.2025 Officers from the Drug Control Unit of the Russian Ministry of Internal Affairs in Elista arrested two guys who had set up stashes of illegal drugs around Elista. By the time of their arrest, they had managed to set up 22 caches. Another 49 plastered “stashes” were found at the scene. Total weight of the seized narcotic was **213 grams of mephedrone**.

<https://мвд.рф/news/item/73066859>

11.11.2025 At the end of October this year operatives of the Drug Control Department of GU MVD of Russia in the Samara Region detained a man who behaved strangely, looked around nervously and aroused suspicion with his appearance during operational search activities on a street in the regional center. In the detainee's pocket and not far from the place of detention police officers found and seized seven packages wrapped in black electrical tape. During a search of his place of residence they seized electronic scales, packaging material, and a plastic bag containing a powdery substance. Experts confirmed that the packages and bag contained a narcotic substance — **mephedrone** — with a total weight of over **400 grams**. <https://мвд.рф/news/item/72365550>

12.11.2025 Officers of the Drug Control Department of the regional UMVD detected illegal drug trafficking and detained two local residents in a forest on the outskirts of Chita who were attempting to set up hiding places for stashes. As a result of an inspection of the scene, police officers found 90 packages containing a white substance. According to expert conclusion, the seized narcotic drug is **mephedrone** with a total weight of more than **100 grams**. <https://мвд.рф/news/item/73117131>

12.11.2025 Activity by a resident involved in production of drugs on a particularly large scale was stopped in the Kurgan region. The Kurgan FSB, with the support of the Russian Guard, raided a drug laboratory producing mephedrone. As a result of the operational search measures, security officers with the support of the Russian Guard detained drug dealer red-handed in the village of Uraltsovskoye, Dalmatovsky Municipal District. The drug dealer used precursors and personal protective equipment to mix raw materials and carry out chemical reactions, which resulted in production of **mephedrone**. Total weight of drugs seized exceeded **2 kg**. <https://ura.news/news/1053033852>

13.11.2025 Officers of the patrol and post service of UMVD of Russia in Leninsky District detained a 39-year-old resident of Bashkiria on suspicion of illegal drug trafficking. While patrolling the area near the village of Pugovichino in Leninsky district, police officers noticed a car standing near a forest. Upon inspection of the car, they found and seized a package containing an unknown substance in the trunk. According to expert conclusion, the substance submitted for examination is a narcotic drug - **methyl ether** with a total weight of more than **1 kg**. At the specified coordinates in the forest police officers also seized a package containing a substance which, according to expert conclusion, contained more than **400 grams of hashish**. <https://мвд.рф/news/item/73225817>

13.11.2025 Investigators from the Investigative Department of the Russian MVD, together with operatives from GU MVD of Russia in Moscow, stopped activities of an organized group whose members are suspected of illegally acquiring, storing, transporting, and selling large amounts of potent substances. According to available data, the perpetrators had been operating in the Moscow region since late 2023. For the purposes of secrecy, drugs containing controlled substances were sold without packaging. 17 searches at the addresses of the suspects and at pharmaceutical organizations resulted in the seizure of more than **150 kilograms of potent substances**. <https://мвд.рф/news/item/73196234>

14.11.2025 Operatives of the Drug Control Department of Ulyanovsk stopped a Lifan car on the Saransk-Surskoe-Ulyanovsk highway in the Karsunsky district. Under the back seat of

the car, police found three large packages of “salt” with a total weight of about 3 kg. In addition, during a personal search and a subsequent inspection of the detainee's garage in Novoulyanovsk, officers found packaging equipment, packaging materials, and another 1 kg of ready-to-sell “synthetics.” In total, law enforcement officers seized about **4 kg of “salt”**, which is equivalent to more than 20,000 single doses. <https://www.rupor73.ru/lenta-novostej/126-lenta2022/44214-narkokurer-iz-novoulyanovska-zaderzhan-s-pochti-4-kg-soli>

14.11.2025 During an operation on Pokrovsky Highway in Yakutsk, officers of the Drug Control Department of MVD in the Republic of Sakha stopped a foreign car and detained its driver and passenger, both 19-year-old students. During a personal search of the young men, they found 15 packets of dark plant material in the outer pocket of one of their jackets and two bags with similar contents in the glove compartment between the seats of the vehicle. An examination showed that the seized substance was **hashish** weighing over **800 grams**. <https://мвд.пф/news/item/73255149>

14.11.2025 Two visitors from the Novgorod region synthesized mephedrone on an industrial scale in the village of Konstantinovskaya in the Kurgan district. For this purpose perpetrators adapted a mobile home, placing it on a specially purchased plot of land. Officers of UNK GU MVD of Russia in Krasnodar Krai seized more than **7.2 kg of synthetic drugs**, equipment, and precursors. The men were caught red-handed in the drug laboratory. <https://мвд.пф/news/item/73268407>

14.11.2025 Officers of GUNK MVD of Russia, together with their colleagues from the Kaluga region, shut down a laboratory for production of synthetic drugs. A local resident was detained on suspicion of attempting to illegally sell narcotics. During a search of an outbuilding, police officers found a sealed package containing bags with an unknown substance inside. According to results of analysis, they contained over **21 kg** of the narcotic drug **N-methylephedrone**. Police also seized 89 plastic canisters of liquid, scales, and other items of evidentiary value. <https://мвд.пф/news/item/73266179>

14.11.2025 Officers of the Drug Control Department of MO MVD of Russia “Birobidzhan” stopped illegal activities of a local resident. The man is suspected of attempting to sell a large shipment of drugs. The perpetrator was detained by police officers on the street near the house where he had previously rented an apartment. He had a heavy package with him, which police seized and sent for examination. Forensic experts determined that its contents were more than **1.4 kilograms of heroin**. In addition, during a search of the detainee's rented accommodation, law enforcement officers found containers with traces of prohibited substances and items intended for packaging. <https://деловой-интерес.пф/publish/3816838/pochti-polтора-kilogramma-narkotikov-obnarugili-u-narkozakladchika-v-eao.html>

17.11.2025 Officers from the Drug Control Department of OMVD Russia in Nyagan detained a 41-year-old resident of the Novosibirsk region during operational search activities on suspicion of storing and selling narcotics on a particularly large scale. During a personal search, 12 packets with a total weight of 8.23 grams were seized from the detainee. Four more zip bags with a total weight of 45 grams were found and seized in the apartment he rented. According to expert report, the seized substance is a **narcotic drug**. Total weight of narcotic drugs seized amounted to **53 grams**. <https://мвд.пф/news/item/73288138>

17.11.2025 Operatives of the Drug Control Department of MO MVD of Russia "Achinsky" in Krasnoyarsk Krai, in cooperation with colleagues from the regional FSB of Russia, stopped illegal activities of a 45-year-old resident of the city of Achinsk. A car driven by the citizen was stopped by a traffic police crew at the 631st kilometer of the R-255 "Siberia" highway. During a search of the man's backpack, law enforcement officers found seven plastic bags containing a light-colored powdery substance. Police also found electronic scales and packaging materials. According to conclusion of a forensic expert, the seized powder is **heroin** weighing **751 grams**. <https://мвд.рф/news/item/73391579>

19.11.2025 Officers of GU MVD of Russia in Rostov Region dismantled a drug laboratory in the village of Pushkin in Krasnosulinsky district. According to police, two residents of the Nizhny Novgorod region aged 31 and 22 received money from an anonymous handler and purchased an inconspicuous building where they set up a workshop for production of narcotics, as well as a car in which they collected precursors from stashes. During a search of the property, operatives discovered and seized various equipment, containers with an unknown substance, and canisters with chemical liquids, and about 200 kilograms of chemical liquids and reagents. According to expert analysis, finished **synthetic drugs** weighed about **300 grams**. <https://мвд.рф/news/item/73548616>

19.11.2025 Officers from the Drug Control Department of UMVD of Russia in Omsk Region, together with their colleagues from Tomsk Region, as a result of a series of operational and investigative measures, identified a 41-year-old resident of Leninsky District as being involved in an attempt to sell synthetic drugs on a particularly large scale. Operatives detained him in his country house. During a search they found packages of synthetic **hashish** weighing almost **1.4 kilograms**, scales, packaging materials, and an unregistered hunting rifle. <https://мвд.рф/news/item/73516675>

UZBEKISTAN

11.11.2025 A special operation was carried out by law enforcement officers in conjunction with SGB employees. During the operation, two citizens who were in the Sergeli district were searched. It was found that they had come to this location to collect a package containing **300 grams of drugs**. One of the detainees stated that he was just sitting in the car and did not know that they had come for drugs. <https://upl.uz/incidents/57730-news.html>

11.11.2025 SGB officers, together with OVD officers, conducted a special operation in the Syrdarya region. During the operation, a resident of the city of Gulistan and his wife were identified, who had rented a house and set up a drug laboratory in it. The perpetrators were found to be in possession of **4.37 kg** of the synthetic drug "**mephedrone**," electronic scales, and other items necessary for production of synthetic drugs. <https://upl.uz/incidents/57732-news.html>

11.11.2025 SGB officers detained a resident of Namangan born in 1990, who tried to run away. It was found that the perpetrator was transporting **24,122 units** of the potent drug **Regapen** and **4,880 units** of the potent drug **Tropicamide**, with a total value of 3.2 billion soums. In addition, 61,287 units of 45 types of counterfeit medicines were found in his

possession. It was discovered that all of these drugs had been smuggled in from Kyrgyzstan and delivered to the Yangikurgan district. <https://upl.uz/incidents/57736-news.html>

11.11.2025 SGB officers, together with border guards, internal affairs officers, and customs officials, conducted a special operation in the Namangan region. During the operation, a resident of the Uchkurgan district, born in 1975, was detained on the territory of the Yangiir MSG in the Uychinsky district after illegally crossing the Uzbek-Kyrgyz state border. A personal search of the detainee found that he had carried **9.7 kg** of the narcotic substance “**hashish**” across the border. <https://upl.uz/incidents/57734-news.html>

13.11.2025 Law enforcement officers seized nearly **21 kilograms of marijuana**, packaged in plastic bags, from a resident of the Chirakchinsky district of Kashkadarya. An attempt to illegally store a large consignment of drugs was foiled as a result of a special operation carried out by officers of the State Security Service in the Kashkadarya region and the Internal Affairs Directorate. <https://podrobno.uz/cat/proisshestviya/iz-doma-zhitelya-kashkadari-izyali-bolee-20-kilogrammov-marikhuany-podgotovlennye-k-prodazhe>

15-11-2025 Officers from the Jizzakh City Office of the Department under the General Prosecutor's Office conducted a special operation. During the operation, manager of the private enterprise “H.A.” pharmacy and a pharmacy salesperson were detained. The arrest was made at the moment of illegal sale of **136 units** of the drug “**Omnadren 250**”. Similarly, in the Zafarabad district, in cooperation with law enforcement officers, a man was arrested for selling **602 units** of drugs containing **potent substances**. <https://upl.uz/incidents/57861-news.html>

17.11.2025 A special operation was carried out by law enforcement officers in cooperation with SGB officers. Two drug couriers were detained in the Yangikhatay district of Tashkent during the operation. According to expert report, **18.36 kg of narcotic substances** were seized from the perpetrators, which had been smuggled into Uzbekistan. Total value of the seized shipment amounted to 9 billion 250 million soums. <https://upl.uz/incidents/57921-news.html>

19.11.2025 Officers of SGB, the capital's GUVd, and customs services detained several members of one family involved in drug smuggling and sale in Tashkent. Operatives stopped an Equinox car on the Akhangaran-Psikent highway. The car was carrying a 47-year-old resident of the capital and her 26-year-old son. According to investigation, they were heading to a stash where their acquaintances from Tajikistan had hidden contraband drugs in advance. Geolocation and photos of the stash were sent to them via Telegram messenger. The operation resulted in the seizure of nearly **5 kg of hashish** near the road in the Pskent district. Later, during a search of their home, they found more than **1 kg of opium** and nearly **2 kg of hashish**. <https://podrobno.uz/cat/proisshestviya/siloviki-zaderzhali-v-tashkente-semyu-kotoraya-torgovala-narkotikami-iz-tadzhikistana-video>

20.11.2025 Law enforcement agencies in Uzbekistan stopped activities of a cross-border criminal group and seized about 30 kilograms of drugs. On 9 November, two men were detained in Tashkent trying to extract **19.8 kg of drugs** from a stash. Another two men were arrested in the Uchkurgan district of the Namangan region on 13 November. They were acting as couriers and were trying to retrieve **10 kg of hashish** from a hiding place. The

perpetrators were acting on instructions of leaders of criminal group, who had given them geolocation of the stash in advance. Law enforcement officers also detained two organizers of the group, one of whom was arrested in Kyrgyzstan. <https://podrobno.uz/cat/proisshestviya/v-uzbekistane-raskryli-krupnuyu-narkogruppirovku-u-kotoroy-izyali-pochti-30-kilogrammov-zapreshchenn>

OTHER COUNTRIES

IRAN

15.11.2025 Iranian security forces seized a large shipment of illegal drugs weighing 2 tons in the southeastern province of Sistan and Baluchistan. The Iranian Ministry of Intelligence discovered a large shipment of **methamphetamine** weighing **2 tons**, disguised as washing powder, in the province of Sistan and Baluchistan. A judicial representative said illegal drugs were wrapped in detergent when they were discovered by the security services. Prosecutor said two suspects who were transporting drugs into the country were arrested, and efforts are now underway to arrest ringleaders linked to these suspects. https://news.am/#google_vignette

CANADA

12.11.2025 Ontario Provincial Police (OPP) reported the largest fentanyl seizure in its history. During a large-scale operation, law enforcement officers dismantled a drug distribution network linked to organized crime and seized millions of dollars worth of illegal substances. The investigation, dubbed "Project Rotherham," began in the fall of 2024 and was conducted by the OPP in conjunction with the Windsor Police Service. As a result, two main suspects linked to criminal organizations were identified. On 25 September 2025, police conducted searches at three addresses and in three vehicles in Windsor. Evidence gathered led to an additional search warrant for another house. A total of **46 kg of fentanyl**, **3.4 kg of cocaine**, and a number of other narcotics, more than \$170,000 in cash and \$220 in foreign currency, premium jewelry, electronic scales, and other drug packaging equipment were seized during investigation. <https://torontovka.com/news/canada/2025-11-13/vindzor-policiya-izyala-rekordnuyu-partiyu-fentanila-na-65-mln-146703>

NIGERIA

11.11.2025 National Drug Law Enforcement Agency (NDLEA) said on Tuesday that it had seized **1 ton of cocaine** from a container at the Tinkan Island port in Lagos in collaboration with its American and British counterparts. The shipment, worth more than 338 billion naira (235 million dollars, 232 million euros), was discovered during a joint inspection last weekend. Officials described it as the largest single seizure of cocaine at the port of Tinkang Island. <https://www.dw.com/en/nigeria-teams-up-with-us-and-uk-to-investigate-cocaine-haul/a-74706106>

PANAMA

12.11.2025 13.5 tons of cocaine were seized in Panama. Officers from the National Air and Naval Service intercepted a vessel in the Pacific Ocean that was heading towards Mexico.

The 10-person crew attempted to flee but were detained. The operation was carried out as part of a plan to combat international illegal drug trafficking by sea. Those arrested, including citizens of Venezuela, Ecuador, Nicaragua, Peru, and Colombia, have been charged with trafficking of illicit substances. <https://24.kz/ru/news/in-the-world/739851-bolee-13-tonn-narkotikov-izyali-v-paname>

USA

19.11.2025 During the federal government's recent shutdown, border agents in the San Diego sector, working to protect the country from cross-border smuggling of drugs and goods, reported that during a series of enforcement efforts over the past two weeks, they seized more than **145 kg of methamphetamine** and nearly **33 kg of cocaine** in three operations. <https://www.cbp.gov/newsroom/local-media-release/san-diego-sector-border-patrol-reports-major-meth-cocaine-seizures>

19.11.2025 During a federal investigation into a drug trafficking organization operating in Colorado, a warehouse on the Highlands Ranch was discovered, where a record amount of fentanyl pills, as well as fentanyl powder and methamphetamine, were found. Colorado Bureau of Investigation (CBI) Director Armando Saldate said investigation led to numerous arrests and drug seizures. Inside the warehouse, authorities seized **1,700,000 fentanyl pills**, along with **12 kg of fentanyl powder** and **1 kg of methamphetamine**. <https://www.fox21news.com/top-stories/largest-fentanyl-seizure-in-colorado-history-allegedly-linked-to-elements-of-the-sinaloa-cartel/amp/>

20.11.2025 Crew members aboard the US Coast Guard cutter Stone offloaded approximately **22.2 tons of cocaine** worth more than 362 million dollars in Port Everglades on Wednesday. This unloading was the largest amount of cocaine seized by a single cutter in a single patrol in Coast Guard history. The seized contraband was the result of 15 interdictions in international waters in the eastern Pacific Ocean. <https://www.hstoday.us/subject-matter-areas/maritime-security/coast-guard-cutter-stone-logs-largest-single-patrol-cocaine-seizure-in-service-history/>

TÜRKIYE

14.11.2025 Minister of Internal Affairs Ali Yerlikaya reported that **1.5 tons of skunk (cannabis)** were seized during an operation carried out at the port of Derince in Kocaeli. Minister Yerlikaya added that five suspects were detained during the operation, stating, "We are fighting this battle not only for our country, but for all of humanity". <https://ru.haberler.com/russian-news-19251995>
